

Dorset Council Local Plan Consultation – we need your views.

Planning affects us all. The Council's planning policies are set out in Local Plans which are the legal starting point in determining planning applications. Public and stakeholder engagement is an important part of the plan making process. Involving residents, businesses, organisations, experts, infrastructure providers and town and parish councils allows local knowledge and expertise to be gathered from a wide range of perspectives. This consultation sets out recommended strategies and policies meeting the requirements of Regulation 18 of the Town and Country Planning Act (Local Planning) (England) Regulations 2012.

BETWEEN 18 JANUARY 2021 AND 15 MARCH 2021 YOU ARE ABLE TO COMMENT ON THE PROPOSALS.

Dorset Council have produced a draft Local Plan containing proposals for guiding future development in the Dorset Council area up to 2038. The plan outlines the strategy for meeting the needs of the area such as housing, employment, and community services including schools, retail, leisure and community facilities. The plan directs development to the most suitable locations near to existing facilities, and detailed policies promote high quality development that respects and enhances the character of each area. The plan also protects Dorset's natural environment and contributes towards the mitigation and adaptation to climate change.
